Help Support the Maple Valley Street Rats Youth Automotive Scholarship Program

The Maple Valley Street Rats was founded in Maple Valley, Washington. This car club has two primary goals. The first is to promote preservation, enjoyment, restoration, or modification of pre-1975 vehicles without make or model preference. The second goal is to provide scholarships in automotive technology to deserving students.

The Maple Valley Street Rats is a spin-off from the Tahoma High School Street Rats, also of Maple Valley, Washington. The Tahoma High School auto shop instructor and his students established the Tahoma High School Street Rats in 1985. The name "Street Rats" came from Street Rods plus the big block Chevrolet engine nickname. A student from Tahoma High School used the colors scarlet and black to design the Street Rat logo. The original goal of the high school club was to develop interest in hot rods and muscle cars. As the club grew, its goal shifted to providing community services such as food drives, Easter egg hunts, Christmas toy drives, and more.

The idea for the Maple Valley Street Rats started in an effort to offer financial scholarships to deserving students going to automotive schools after high school. The club started in 1998 with seven members, mostly from local automotive businesses in Maple Valley. The Maple Valley Street Rats has developed the following scholarship fundraisers:

- Friday night cruise-ins at Covington, Washington
- Maple Valley Days car show at Lake Wilderness Park in Maple Valley
- From 1999 to 2009 the Maple Valley Street Rats has awarded more than \$32,000 for students to attend a variety of automotive schools.

To register your vehicle for the Maple Valley Days Car Show and join in the fun, please complete the form below: (Pre 1975 Cars & Trucks-No 4x4's or motorcycles please)
